"supporting high achievement through professional learning"
CSDC is an affiliate of the National Staff Development Council

Join the Connecticut Staff Development Council and Joellen Killion, Co-Author of Taking the Lead: New Roles for Teachers and School-Based Coaches to discuss the role of school-based coaches and teacher leaders.

- ◆ How do coaches and teacher leaders provide professional learning for teachers?
- ◆ What strategies can coaches and teacher leaders use to forge strong partnerships that improve instruction and increase student achievement?
- ◆ How can schools and districts implement and sustain an effective school-based coach initiative?
